ABOUT ME

Third-year Business intelligence student , at the Faculty of Economic Sciences and Management of Tunis (University of Tunis El Manar). Seeking a 4-month end-of-studies (PFE) internship from February to May 2027 at the intersection of Web Development, Data Science, Business Intelligence (BI), and AI integration. Eager to contribute to practical digital projects that connect web solutions, data-driven insights, and AI-powered capabilities.

Serious, motivated, curious, and analytically minded, I enjoy teamwork and adapt quickly to new environments. My goal is to join a company where I can apply my knowledge, contribute to real projects, and continue developing my professional skills.
